Margaret. (Big M) There's so much I want to say, and even just for now, I wont be able to say it all, so anyways, I've only known you real good for a while and you know, I really wish we could of been this close at the beginning of the year. (I guess its ok. cuz we got a forever to make it up!) I've known you since 7th grade and I never thought or who would of known we'd be good friends. And you know, I'm really glad we are now cuz I've never had such a good friend or someone to ever get close with. I hope you understand that now that I've got your friendship I'm never going to let it go! Like it or Not!! You should always know that I'll always and Forever Love ya! and in no way or no matter what or for Nobody will I ever forget you. And I'll always be here if you need a friend or someone to talk to, or you need somewhere to go just drop by cuz you'll always be wanted over here. I really hope that the drill doesn't keep you away from me over the summer cuz if I don't see ya I'm really going to miss ya! And you know what, I hope that for the rest of our Lives we will always be good, good, friends. And for sure you'll always be My BEST FRIEND forever and ever and as long as I live or at least for as long as you can stand me. So what are we going to do this summer huh! Just tell me and well do it! (If you don't mind being around me.) Mabey we'll start doing more things cuz I feel sorry that I haven't been able to do anything with you yet. Mabey we can do some things together with Marlene too! So are you excited about next year? Big "Junior". and Drill and everything? So, I keep thinking were going to lose touch over Summer cuz of Drill I guess we just have to wait and see, but I really hope not! I wish and hope that life brings you everything you hope for cuz a nice, sweet & pretty (oops! person) like you, and everything you've been through so far, really deserves it! Margaret I hope you can forget George and Fat Head and attack someone who's not Big Headed and who's not going to break your heart cuz you're really had enough of those, and I hate to see ya get hurt, I guess that's why I care. I don't know if I've ever told you this but anyways, "Thanks" for being my friend", (and my friend only, ehh! cuz I know I can't have

Crews Keep Pioneer Clean And Healthy

We at Pioneer are very fortunate to have a clean campus. This is due to our hard working custodial crew. The crew works hard to maintain a beautiful school.

Our cafeteria is run efficiently by a wonderful crew of caring women.

Proud Of Our Parents

We'd like to thank our parents for dedicating themselves last summer to build our decorative wrought iron fence. Aside to that, our parents were kept busy throughout the school year with fundraisers such as dances and rummage sales. All for the benefit of Pioneer students.

Principal Eicholtz Proclaims Outstanding Year

This 1980-81 Annual certainly reflects the involvement of students in the many activities that took place on campus this year. It is my hope that through your participation, each of you has grown socially and academically and that your experiences have been meaningful and helpful.

In many ways this has been an outstanding year for Pioneer. We are extremely proud of the dedication and love that was reflected by the construction of the wrought iron fence by parents, staff, and students. We are proud, also, of the recognition we received throughout the community for our clean and neat campus.

Our athletic teams, drill team, Pepsters, Flagsters, band, vocal groups, clubs, and student body all had an excellent year.

I am pleased to see so many of you taking advantage of the opportunities that are available at your school, and I hope you share my pride in Pioneer. My sincere and best wishes to each of you for success and happiness in the years ahead.

J.V. BASKETBALL

The Titan's JV Girls Basketball team was a blend of hard working sophomores and a quick-learning moderately skilled, freshmen group. One junior from the previous JV team was added during the middle of the season.

The players quickly learned from mistakes made in the pre-season (Pre-Season record was 3 and 2) In league play, offensive passing had improved greatly, and adjustments were made to a pressing pressure defense.

The success of this years team prevailed with a combination of team work and enthusiasm. This year's league record was 8 and 2 with a Second Place finish.

C.I.F. ACTION!

Undefeated in preseason and second in league, the Girls' Varsity Basketball Team completed an impressive 16-4 record this season. The key to their success was team work and good coaching. Captain Cee Del Toro provided excellent leadership on offense and instilled the team with confidence. Hardworking Carmen Rodriguez, quick Cathy Ledesma, and 75% free thrower Pam Lejsek showed tremendous improvement this year and added to the team greatly. Three of Pioneer's starters were selected to the First Team All-League: Terry Mitroff, Cathy Ledesma, and Pam Lejsek. For the second year in a row multi-talented Terry Mitroff was unanimously selected the Whitmont League MVP and appears likely to be named to the All-CIF team as well. The Titans ended the season with a four-point loss to Mission Viejo, who made it to the CIF Finals.

Pioneer Varsity Boys Shoot Their Way

Titan basketball had another fine year. They finished 3rd in league with a 5-5 record, 9-13 overall. It must be pointed out 3 of the league losses were by a total of 4 pts., and during the pre-season the squad played many power house teams, notably Dale Murphy and Beverly Hills High, the former ranked in 4A. The Titans had many talented players including, Ricky Cox, Rico Garcia, and John Coffee who each made all-league. Another potential all-league player, Tony Bevacqua was sidelined in the first league game, which didn't allow him to play the remainder of the year. Though this years team had the talent, it lacked consistent play. Gaining consistency the Titans should be a top contender, returning six players, including 3 starters.

Varsity Football

The season ended with Pioneer possessing a 5-5-0 record, and not qualifying for the C.I.F. Playoffs for the first time in four years. The overall record was disappointing; two of the losses were by 3 points, one by 5 points and one by 10 points.

Success or failure often times cannot be measured in wins or losses. An outstanding group of senior young men provided the squad with tremendous leadership, dedication and character. The successful future of Pioneer High School football lies in the hope that the virtues displayed by the underclassmen in the seasons ahead will be carried out with as much enthusiasm and dedication as this year's players have initiated. Coaches: D. Robinson, R. Hanes, M. Corente, D. South, W. Estabrook.

Titanette Teamwork Secures Awards

The Titanettes once again brought another successful year to a close. Many hours of hard work and determination seemed to be the key to the team receiving numerous outstanding awards, including first at Arcadia (quite an honor!), and regaining sweepstakes at Oceanside. A first in Pioneer drill team history was receiving specialty awards in parade competition twice in the same year. The Drill Team also had the honor of competing at the Miss Drill Team USA Pageant. Our novelty entry "The Jesters", was awarded second place. The backbone of the drill team is Miss Marilyn Littlefield, a dedicated woman and outstanding advisor. The team also received much support from leader, Jeanette Trujillo, and assistants, Mary Lou Nieto and Rene Matherly.

Margaret (My new BFF) Well where do I begin I've known you for such a long time and we've done alot. I'm glad that the year is finally over. Now is time to get to the fun stuff like the beach. Margaret, you known by now that you are best friend and thats the way I want it to be forever. I know that we really didn't talk that much that didn't effect the way I feel about you. Youve always been there when I need you, and I tell you just about everything I know you don't tell anyone. You're the kind of person that are easy to talk to. You know we've had a lot of great times together like fanels, shoting and getting loaded when I used to. I know that, that won't change now. I'm really happy that you made Drill Team I think you deserved it. I hope you don't get all stuck up (NOT REALLY) When your out on the field preforming you better not mess up cuz I'll be watching you. I was just thinking in two years we haven't been in a fight I think that damn good. I hope what happened to you and Sondra will never happen to us. You know with my sister moving and everything I'm going to need another one to tell all my problems and just being there like ~~that~~ sister is and I'm counting on it being you. We are already juniors and I've known you practically ~~all~~ half my life. You've been much more then a friend to me I could never tell you how much I like you so we'll just its alot more then you could know. I know that drill team will take up alot of your time put we will still do things. you better grows a few inches so we could be stewdesses together if you don't grow ~~on~~ I'll go pull you like I did in the 4th grade remember. I wont to thank you for being there when ever I need you I don't know what I would have done with out you. Rember typing in 9th grade when you couldn't set the margins or in Social studies I'll never forget those things. Well I better go. I'll have you know that this is the most I've written all year. Thanks again for everything. Take care, see you later. Love ya Always

YOU BETTER call ME. [redacted] Dish

Dedication: John Humphreys

Dedication:

On behalf of the entire student body at Pioneer, the Annual Staff takes pride and pleasure in dedicating the 1981 TORCH to a man whose warm, friendly attitude and deep concern for students has made Pioneer a better place to be.

A native New Yorker, he lived in Queens for eleven years. In 1955 he moved to California and in 1962 he graduated from Glendale High School. Next he received his A.A. in welding from Trade Tech in Los Angeles. Shortly after, he joined the Navy and made two trips to Vietnam where he built bridges and buildings in the Construction Batallian.

Following his two years of active duty in the service, he entered Cal State L.A. where he received his B.A. in teaching and earned his credentials. His teaching career began at Marina High School where he taught for two years. Then in 1973 he received his calling from Pioneer, and ever since, he has contributed greatly.

He can always be seen wandering the campus with a camera in his hands and a smile on his face. He is an unofficial member of Annual Staff and takes many of the pictures that go into the annual. Also, as an unofficial member of the Girls' Basketball Team, he does their filming.

This year, he has served on the Site Council and Parent Booster Club. This past summer we found him spending many long hours welding the wrought iron fence that now encloses the front of our school. Each year he devotes two weeks to the military service of our country as a Chief Petty Officer in the Sea Bee Naval Reserve.

He takes interest in the International Club here on campus and has traveled with them to Japan. Currently he teaches five classes of Industrial Arts and one class of Photography. This year the PTA awarded him the Life Membership award which honors him for his service.

An outdoorsman, this dedicated man enjoys backpacking, camping, and traveling. He also likes shooting and has a collection of guns.

He believes in people and adheres to the philosophy of giving people the benefit of the doubt. He encourages students to get an education and find out what they can do best.

For his countless contributions to our school and for being an enthusiastic and caring man, the 1981 TORCH is dedicated to...

"Pride in Our Past and Faith in Our Future"

What lies ahead
is still a dream
but closer every day.

We've shared our lives
and given strength
in each and every way.

Our values are,
and always will be,
such a vital part,

In facing life,
and future goals
with faith and
hopefilled hearts.

So seek out life
and savor well
the dreams of youthful pride.

For dreams are real
when faith is strong
and love for man presides.

Our Japanese Guests

For the second consecutive year, Pioneer High School hosted a group of visitors from Yamanashi Gakuin Fusoku (which name translates to mean the High School Attached to the Yamanashi Academy). Most of these students have just finished their first year of high school, and will begin their second year of study upon their return from the United States. All the visiting students have studied English in Junior High and High School, but this was their first visit to the United States. This visit is a special experience, for it allows them to experience American life and culture for several years. The visitors hope that Pioneer will soon Begin sending groups of Americans to visit them in Yamanashi.

The group is led by Mr. Shigeru Taneda, an English teacher. Mr. Taneda spent one year of his high school studies as a foreign exchange student in Wisconsin. As an experienced visitor to America, Mr. Taneda prepared the Japanese students very well to both learn about and participate in American life. This year's visiting Japanese boys were Manabu Hirai, Masumi Horincuchi and Koji Nagashima. The visiting Japanese girls were Chie Endo, Miho Fukuyama, Kasaho Jinza, Yuka Kawamura, Chisato Kobayashi, Kumiko Satomoshi, and Harumi Takakura.

WAIT UNTIL DARK

"Wait Until Dark" was a suspense thriller presented by Pioneer Drama workshop on Dec. 11th, 12th, and 13th. The play was about 3 ex-cons trying to recover a doll. A heroin filled doll! In their way is a newly married blind woman named Suzy Hendrix. The ex-cons try various ways to trick her into giving them the doll. As it turns our she really never had the doll, for the meddling little girl from upstairs stole it. The girl admitted the taking of the doll to Suzy Hendrix. Knowing the doll was of some value she hides it. In the closing moments, one of the con-men threatens her once more! She eventually kills him in self defense.

The Cast: Opposite page, l to r, Ralph Huerta, Paul Hanney, Abel Padilla, Mike Venedicto, Sylvia Flores, Renee Robles, Jacki Roddewig, Lenor Hernandez, Larry Lopez, Robby Chute, David Martinez.

Afterwards

As the play opens a boy and a girl meet and feel they know one another, but can't remember how or why. Soon they find the scene of an auto accident. They also discover two dead bodies that resemble them, the only difference being their faces, which were distorted. They sense what has happened. They were involved in an auto accident and the bodies are their own. The bodies had taken the shape of what one thought the other wanted him or her to be. Now they were strangers to each other.

The play was tri-cast that is, performed by three seperate casts. The leads in the first cast were Ricky Feliz and Donna Burton; in the second were Jay Moreno and Sabina Rodriguez; and in the third, Mike Venedicto and Sylvia Flores.
